## HEAD SENSEI TRIO

### Sensei Richie Endow Bio

Richie's judo journey began in 1980, when following the path of his grandfathers. He became part of the third generation in his family to practice judo at San Fernando Dojo, which started back in the 1930's with Grandpa Ralph Nakamura & brothers. In 1986, Richie's judo classmates convinced him to start competing on a regular basis. In his first novice tournament Richie placed first and was hooked! He continued competing in all the local, state, and national competitions - falling just short of placing in most of them.

In 1988, things took a turn and Richie placed third at the USJI High School National Championships. During his competitive years, he earned six gold medals at high school and junior national championships, and in 1990 was honored with a USJI All American Award. By the time he turned 18, Richie became the ninth judo black belt in his family. In 1991, Richie gradually left judo competition to concentrate on his college education.

In 1996, Richie returned from college and began assisting his head sensei, Roy Murakami, with teaching judo at San Fernando Dojo. After many years of dedication to judo, not only at San Fernando but also for Nanka Judo Yudanshakai, Richie was honored with the invitation to become the Head Instructor at San Gabriel Judo Dojo in December of 2013.

In addition to being an USA Judo International Coach, Richie is also a IJF-B Continental Referee, and has either refereed or coached at every USA Judo national championship over the past 8 years.

We are JKA Los Angeles Karate Club which is member of Japan Karate Association based in Japan. We are Southern California's JKA headquarter based in the San Gabriel Japanese community center. The synergy between the two is not only cultural but also economically as well as both are nonprofit entities. Our mission statement is to propagate the study of traditional Japanese Shotokan Karate and Japanese cultures as well. To that end, our approach is to have a dynamic and symbiotic relationship with not only our students but their families as well. Karate training is strict; we strive to make it fun and engaging to the students at all times. Our dojo is open to all, no matter race or creed nor age or size and instructed by JKA international licensed instructor.

2019 has been an eventful year filled with success for the karate club! Below are some of the highlights of the recent months with JKA Los Angeles:

In December, our members participated in Los Angeles Karate Championship event. Our youth competitors won a collective total of four gold medals in both kumite (sparring) and kata (form) events. Our adult competitors won one silver and three bronze medals impressing Sensei Harada with their best kata performance yet!

JKA Los Angeles had kyu testing just prior to the tournament. Nearly all our students have demonstrated commendable progress all around.

Thank you for reading and we are looking forward to more success in 2020!

In November, one of the youth student participated in Hayashi Challenge Karate Tournament in Orange County, CA. He won 1 silver and 2 Bronze medals.

In October, JKA Los Angeles members attended the Southern California Karate-do Championship in Whittier, CA. Our youth competitors brought in four bronze medals, three silver medals and one gold medal. Our adult competitors brought in one bronze medal, one silver medal and two gold medals. All attending JKA competitors received medals!

**San Gabriel Nikkei Seniors Christmas Party**  
On December 12, 2019 SG SR Nikkei Christmas Party was held at Almansor Court located in Alhambra, CA. Entertainment consisted of SG SR line dancers, sing-a-long with SG SR Ukelele Band and special guest, Veronica Ota, wowed us with her musical talent. With our senior parties, we need to have the bingo game, or we might have a riot. Many of our prizes for bingo are donated by our generous members and donors.

Introductions of our outgoing and incoming members board members were announced during the Christmas celebration (not much of a change to the board).
